DATE OF ISSUE: 7 May 2007

All rates quoted above are indicative only. Mortgage Street reserves the right to amend rates and the terms & conditions applying to its products & services at any time without prior notice.

Comparison rate calculated based on \$300,000 over 30 years. These comparison rates applies only to the example or examples given. Different amounts and terms will result in different comparison rates. Costs such as redraw fees or early repayment fees, and cost savings such as fee waivers, are Not included in the comparison rate but may influence the cost of the loan.
